## PREFACE.

---

Again it becomes our agreeable duty to submit to the business men and general public the BIDDEFORD AND SACO DIRECTORY for 1894, being No. 12 of the series. We have bestowed unusual care upon the compilation of this volume, in order to insure its correctness and reliability, as far as is possible in a publication of this nature, but should we not fully realize our expectations in this respect, we hope the public will kindly overlook whatever defects it may possess. We shall, in the future as in the past, make every effort to render this Directory worthy of the patronage of the inhabitants of the locality, and alike creditable to the importance of the Cities of Biddeford and Saco; but, in order to accomplish this successfully, we *must* receive the substantial support of the business men of the city, in the form of advertising. Every business man, of *any* importance, should have his card inserted in the local Directory, in order to benefit his business, and also to aid the efficiency of the volume, as a public spirited citizen with a proper pride in his native city. Therefore, we urgently request the continued and unlimited support of advertisers, and we, on our part, will do our utmost to deserve their confidence.

The following synopsis is appended:

Respectfully,

W. A. GREENOUGH & CO.

Pepperell park is a tract of land of a number of acres, situated on the easterly side of the village, and was

granted to the town, in 1752, by Sir William Pepperell. The donation of a part consisted of four acres "for building a meeting house, for a burying place, and for setting up a school house, and for no other use or end whatever." A still larger grant was made of land adjoining, by the same granter, "for a training field," etc. The Unitarian church, now occupied by Rev. J. Lewis Marsh's society, is situated on this grant.
